#### Welcome to your 21ste Century Hot or Not Adult Pics Rating site

Here you can upload your sexiest picture and have others view it and rate it. Its a great way to meet new people too. Not only can you rate other members pictures, you can also leave private messages and comments too! Best of all, membership is totally Free! [Signup now](#) and join the fun!

**How it works:** You signup and become a member. Once signed up you can upload your Hot image. You may also link to your image if you already have it on another server. Once your image is approved by us, it will begin to appear on the site. Visitors will view your image and rate it depending on their own personal opinion. Visitors may also leave public comments about you, and some may even decide to leave you a private message.

**Rules:** Yes porn is allowed! This means your "naked pictures" are allowed. All images are approved by us before being shown on the site. If you upload KIDS porn we will delete it. If you link to illegal porn we will delete it. This is an "18+" site so keep it dirty! To keep the site as fast as possible, all images must be smaller than 1024 bytes in filesize.
